

THE HOLTS IN CHILE

We are building a new church in Santiago, Chile!

How can you help?

1. **You can pray!** Pray for the construction project, for souls to be saved, and for the growing new believers.
2. **You can give to help us finish the building and make the last payment on the land.** We need \$15,670 to complete the project.

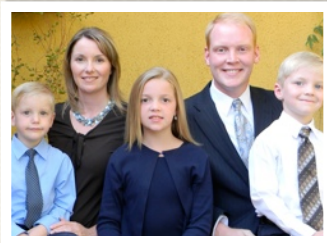

In just a few days we will inaugurate a new building for our second church, Omega Baptist! It is so exciting to see how God is working through this young church. Recently **eleven people trusted Christ** in a community outreach! Already **two teenagers from this new church have given their lives to full-time ministry!**

3. **You can also give to help fund the Chilean pastor's "20 month project".** This plan involves a gradual decrease of the pastor's support, while the national church gradually increases their offerings. The goal is to help the church & pastor be self-supporting in 20 months. We need \$4,120 to fully fund this project.

Offerings can be sent to the support address below. Please mark donations with "Holt Building Fund" or "Holt 20 month project". Thank you in advance!
